Alliance Missions, alongside U.S. Alliance ministries, focuses on:

SERVING COMMUNITIES
We model and demonstrate Christ’s compassion through disaster relief, community development, medical and educational services, and business initiatives, which open doors to proclaim the good news.

MULTIPLYING CHURCH NETWORKS
We establish and develop multiplying networks of churches. Once established, the churches sustain and multiply holistic ministry in their communities and join in the mission to advance the gospel.

DEVELOPING PEOPLE
We invest in seeing the gospel transform the whole person. In turn, those men and women with a passion for Jesus show and tell the gospel to their neighborhoods and become leaders in their own communities and church networks.

THE LEGACY
For more than a century, the Alliance family has joined together to bring the gospel to the least reached parts of our world. How? By extending our reach to the most neglected and by raising up networks of churches that multiply gospel access.

And because of that dedication, more than 6 million people belong to 23,000 Alliance churches throughout the world.

But we aren’t done yet.

TODAY’S REALITY
More than 4,000 people groups, or about 40 percent of our world’s population, still have little or no opportunity to know Jesus.

But in today’s world we can rarely just walk into a country and proclaim His name. We must first establish a meaningful, impactful gospel presence in every community we enter through providing valued, needed services. It’s then that hearts and minds open to hear the good news.

In this new day, Alliance Missions is leveraging four specialized structures to advance the gospel. Each has a unique purpose, each expresses our Alliance strategic themes, and each is equally important to seeing gospel access for and from all peoples.

This allows more room for more Alliance people to be more involved in Alliance missions than ever before!

ENVISION

Go and make disciples of all nations.
—Matthew 28:18-20

God will so write on our hearts the names of these peoples, and tribes and tongues, that we cannot rest until we have gone to them with the message of salvation.
—A. B. Simpson

THE NEW FACE OF ALLIANCE MISSIONS

A majority of all missionaries now live among unreached people, establishing a meaningful, impactful gospel presence by serving in more than a dozen nations. Formed for decades, gospel services may be extended, disciples made, and churches planted. Missions are intentionally local and serve the goal of forming reproducible church networks that do it all over again! This is the new face of Alliance Missions.

NOTHING IS MORE SUSTAINABLE THAN THE CHURCH, AND NOTHING DONE IN JESUS’ NAME IS ULTIMATELY SUSTAINABLE WITHOUT THE CHURCH.

Vice President for Alliance Missions
