Spirit, hovering over the darkness

Parting the depths of the water

Bring us life.

In our darkness, bring us light.

Father, Who spoke through the words of the prophets

Making your dwelling among us, Immanuel

God is with us. Immanuel

We have never been alone,

Never been alone,

Never been alone.

VERSE 3

Jesus, revealing the face of the Father

Ruling as king and Messiah,

Let your kingdom come,

Take your place Lord, gather your people as one.

We have never been alone!

Never been alone!

Never been alone!

Cloud by day and fire by night,

Before us and behind,

We'll never be alone!
