When I said yes to you

I knew that it was finished

When I said yes to you

I knew that we were one

The giant fell before my feet

The valley seemed so small to me

## Verse 2

Now I'm weak and worn

running for perfection

Is there something more

than striving for your love

I finally meet my end -- and that's where you

begin again

## Pre-Chorus

| F#m / E / | B /// | F#m / C#m / | B /// |

(Then) You take my hand And you

draw me close

Yes you pull me in To the

great un — known

## Verse 3

| E /// | E /// | C#m7 /// | C#m7 // Bm7 |

| A /// | F#m7 /// | E /// | E /// |

*So I'll say yes to you -- into deeper waters*

*Oh I'll say yes to you -- For you have made a way*

*Not by might and not by strength*

*But by your Spirit I will say - yes*

## Pre-Chorus (2x)

## Bridge

| C#m // Bm7 | A /// | E/G# /// | B /// |

There's manna in the wilderness

Grace that meets my brokenness

You supply my every need You supply my every need

## Verse 4

When I said yes to you

I knew that it was finished

When I said yes to you

I knew that it was won

Now I rest in you alone

Till your Spirit leads me home
