

THE NEW, EASIER WAY TO GIVE

Launching July 1, 2021

Our vision is clear. *All of Jesus for All the World.*

Our strategy is proven. We serve communities. We multiply church networks.
We develop people.

Our funding can be confusing. Let's fix that.

Starting July 1, 2021, Alliance funding will change. Why?

Simpler to explain
and understand

Embraces all Alliance work
advancing the whole gospel

Easier for you to give to the worker
or work you love

So, what is changing and what does it mean for you?

1. Giving generally to the Great Commission Fund will have a broader impact as it will now benefit all Alliance ministries.

With this kind of general gift, you will be supporting all Alliance work and all international workers regardless of specialized structure in Alliance Missions.

2. Giving specifically to an Alliance worker you love will be simpler and easier than ever before.

No need to specify support, work, vehicle, or outfit. The workers you love will be able to use your donation for their most immediate strategic or project needs based upon an approved budget.

Both giving generally and giving specifically to a worker or work you love will now be considered part of the new Great Commission Fund!

What isn't changing?

1. Giving to the Great Commission Fund will continue to be used immediately where it is needed most.

This type of gift continues to be a vital funding source and funds the majority of Alliance work in advancing gospel access around the world by providing support for international workers.

2. Giving specifically to larger Alliance strategic projects and ministries will not change.

You can continue to give to your favorite project or ministry like CAMA, and gifts of this type will still be needed to further their reach.
